2021

Last year 300 attended the breakfast and the event raised over \$86,000 towards our multi-year BUILDING MIRACLES campaign to renovate Cosmo's centre location. The funds helped turn our Business Services area into a modern environment with energy efficient lighting and non-slip flooring as the hub for our plant pot washing operation.

The Award

Nominees for the award are chosen from submissions by the public. The award is intended to promote the vision and spirit of those who founded Cosmopolitan Industries. It is presented in recognition of people who have made a significant difference in the lives of individuals with intellectual and related disabilities.

The award is named in honour of Howard Stensrud. Howie was one of Cosmo's founders and remained intimately involved on our Board of Directors right up to the day of his passing.

Cosmo hopes the award will inspire others to get involved in organizations for the betterment of persons with disabilities.
